

# **Diversity, Equity, & Inclusion** **in Computer Science**

**Breauna M. Spencer, M.A.**  
**Director of Diversity, Equity, & Inclusion**  
**Stanford University**  
**[bspence2@stanford.edu](mailto:bspence2@stanford.edu)**

Welcome

# DEI Efforts

- Lead and develop strategies and methods to design, create and implement all departmental diversity programs, including but not limited to policy setting, department climate, faculty recruitment, student recruitment, student retention, programs focused on pre-college populations, outreach and communications, and fundraising.
- **Monitor all initiatives, and serve as the point of contact and provide consultation in the department concerning diversity issues.**
- Partner with faculty to develop strategy plans for improving diversity at every level, oversee and direct diversity committee of faculty, staff, and students
- **Leverage university and other resources for organizing diversity training and awareness opportunities for the department.**

# Upcoming DEI & Community Building Events

- **CS Stanford Preview Day (prospective students)**
- “Listening Tours” with faculty, staff and students (undergraduate/graduate)
- **CS Education Speaker Series (discuss race, gender, social justice, etc.)**
- Rebuilding Community Events for faculty, staff and students
- **Diversity Speaker Series (first featured speaker is Michael Seibel—  
Managing Director at Y Combinator)**
- Tailored Programming for MS and Ph.D. Students
- **DEI Website for access to information and upcoming events**

STANFORD CS PRESENTS

# A FIRESIDE CHAT WITH MICHAEL SEIBEL

**September 29 @ 6 PM**

---

Join us for a conversation with Michael Seibel, Managing Director of Y Combinator, Early Stage, to discuss the myths and realities of the start-up game.
